

WE INTRODUCED OUR CULTURE TO OUR GUESTS

We hosted the teachers and students who are coming from abroad and Sakarya in our district and school between 24 -28 April ,2023 within the scope of the Erasmus +project "Digitally Ready Generation For The Labour Market", which started on April 4 ,2022 and wil come to an end on July 1,2023 in partnership with Spain, Romania and Turkey

Our school, which is an institution that has just started to provide education and has the mission of raising our youth as well-equipped young people in accordance with the requirements of the age, has carried out the task of organizing an international organization and activity for the first time. We are happy and proud of this and we think that we will set an example for other schools in our district.

Rize Ethnographic Museum

Sumela Monastery Trip

Within the scope of other ongoing Erasmus projects at our school, we will host a group of 50 teachers and students from 5 countries on 28 May 2023. Studies were carried out within the framework of the activity program covering the purpose of preparing the young people for the future labor market by developing their digital and critical thinking skills, supporting active and innovative pedagogies compatible with social and cultural diversity, their professional and personal skills, increasing their self-confidence in the use of information technologies

Ayden Trip

Rize Castle

Presentations and workshops were given to the guests by the logistics teacher Canan Dinç and the 11 C class students Eslem Dilay Dilmaç and Semanur Hilal Arıcı. The activity programme, which focuses on some topics such as designing a commercial and educational web page, introduction of Eba, e-learning national strategies of foreign guests, and Blended Learning, was followed by cultural trips.

Zilcastle

Palovit Fall

Trips were organized to touristic destinations such as Ayder, Zil Kale, Rize Museum, Trabzon Sümele Monastery in order to introduce the natural and cultural richness of our district and region to our guests. Our students undertook the mission of cultural ambassadors to introduce the Black Sea cuisine and dishes to them by hosting the guest students in their homes

Our students and guest students, who had a good time together in the spare time apart from the activities, improved their self-confidence by getting over their shyness in speaking English as they were exposed to a lot of foreign languages by communicating in a foreign language

During the time they spent together, the foreign guests had the chance to experience the Black Sea culture by being informed about the Turkish family structure, traditions and customs.

On the last day of the mobility the participants were given certificates of attendance and gifts .Our District National Education Manager Nimet Büyüik has made a speech and gave out their certificates
